Eve's oldest son killed his brother, who was the seed to bring forth the Messiah. Instead of living in grief for the rest of her life, she asked God for another chance to bear a godly seed. He gave her Seth, and people began to call on the Lord's Name. Genesis 3:15 Genesis 4:25,26

I pray for the strength to be courageous & ask God for another chance

Abigail's husband was a raging alcoholic, but she refused to step down to his level of conduct. She rescued the lives of her household from her husband and an angry King David, by walking in wisdom and acting instead of reacting. God gave her a brand new life. 1 Samuel 25

I ask for wisdom to drain the anger out of people around me. Lord, help me to be courageous & intercede for those who cannot rescue themselves

Hadassah (Esther) lost her parents and was raised by a godly cousin in a foreign culture. She didn't have an orphan's identity however, and was emotionally whole.

When an opportunity came to deliver her people from being massacred, this teenaged girl challenged her fears & risked her life for her people. That day of deliverance is still celebrated in Israel with great joy and gladness each year.

The book of Esther

Lord, help me not to sit back and wait for someone else to do something. Give me the courage to use the gifts you've given me to change the lives of others
